MESSAGE TO ATHLETES

Dear Athletes,

We are excited to invite you to take part in this upcoming event as we prepare for the full competition debut in November 2026 and beyond.

We are redefining what competition can feel like and raising the standard for how gymnastics is experienced by athletes, teams, and spectators alike.

This event is designed as an opportunity to run through key logistics, refine the competition format, and build the energy and experience that will define future editions. Your participation plays an essential role in shaping what this event will become.

We are looking for 16 teams to compete in a high-energy format that will include:

- Qualification Round**
- Semi-Finals**
- Finals**

A cash prize will be awarded at the conclusion of the competition. This is your opportunity to be part of the foundation. To compete with intensity. To elevate the atmosphere. To help push the sport forward. We kindly encourage you to begin gathering your team and preparing for this exciting opportunity.

We're not just hosting another competition. We're changing the game.

We can't wait to see you on the floor.

Best Regards,

**Ben Astorga
